

“Nephilim Mothers”

A Clarification and Explanation

The term “Nephilim Mother” was not coined by me. This is a misnomer. All the women I have worked with who have reported conceiving Nephilim hybrids are Christians. Nephilim cannot be saved and have no desire to be saved because they are not human. Jesus, our Lord and Savior who is both Son of God and Son of Man, died for all mankind, i.e.: the fallen descendants of Adam (Rom. 5:12ff w/ 1 Tim. 2:5 w/ Heb. 2:14-16). The women who became the wives of the “sons of God” (Heb. *bene ha-elohim* – “watchers” or *fallen angels*) in Gen. 6:2 were the daughters or the offspring of Adam (mankind) and became mothers of the Nephilim-hybrid offspring mentioned in Gen. 6:4. Only *in this sense* can they be defined as “Nephilim mothers” (i.e.: *mothers of Nephilim*).

For the past 28 years every woman I have worked with who has been a part of the hybrid breeding program has dissociated Nephilim ‘parts’ represented in her internal DID system and phenomenology which is the result of her conditioning and programming. As I stated above, Nephilim CANNOT be saved nor do they have any desire to be saved because they are not human; they do not have a human soul. The demonized programmers understand this biblical FACT and utilize this in order to capture and create through trauma and dissociation aspects of the person’s core identity. This is purposely done in order to install the belief that this dissociated ‘part’ or aspect of themselves is not human and therefore cannot be saved. This in turn reinforces dissociation and core conflicts which drives the DID system. In every case when the core person working with and through the Christian presenter joins or merges with that which is perceived to be non-human or Nephilim, the programming is broken, tension and core conflict is resolved, and the person comes to know the truth of what really happened to them.
