

Report from Amanda Buys with Kanaan Ministries

Cape Town, S. Africa

September 17, 2012

Doug and the team arrived in Cape Town on Monday 27 August. They had an amazing time in Pretoria and were resting for two days before they started their sessions in Cape Town.

The first two days of the seminar were held on a game farm (Clara Anna Fontein) just outside of Durbanville and the last day at a local Christian school/church, El Shaddai. There were nearly 100 people registered with almost ten psychologists and registered therapists as well around five psychiatrists – travelling from far and wide all over the country.

The sessions were very different from Pretoria – Doug and the team starting to speak about the Nephilim mothers from day one. The teaching on bonding was excellent! Doug explained that bonding is not programming – but it is deeper than programming – and this is what actually drives the programming. The survivors are BONDED to principalities and powers – they cannot be cast out because they are not demons. Doug taught us from the lessons in the Bible looking at the life of Joshua, that you have to DISPLACE these principalities and powers at the high levels. We also learned that survivors are actually bonded to idols and not to the TRUE GOD of the Bible. Their source of captivity is idolatry!

Renunciation will not break these bonds – the presenter/host and protectors must come together and go into the core where the bonds were made. They have to repent of idolatry – and this is where Sally's articles (that she wrote during the time of her own struggles) are such a great help for the counselors and clients to understand what the real issues are before the LORD God of the Bible.

On day two, Dan shared his history and then showed us power point diagrams of how his therapy unfolded all that was locked up inside of him. This was VERY interesting and many questions were asked.

The same anointing that was in Pretoria was also here in Cape Town – humility, brokenness and the strength of the Word as strong foundation permeated every session.

Every one was so blessed, and again all felt the authority and Godly boldness in knowing WHO we are in HIM and our total dependence on HIM.

On day three, Doug shared on the shields of Leviathan out of the Book of Job. He taught us that everything that has been dissociative is a shield for satan in the second heaven.

That's when he and the team shared how satan uses this strategy to stop the work of the church world-wide. They explained how satan has specifically focused on the 10/40 window nations – the most unreached people groups in the world. If he can stop the Gospel from reaching these nations, then he is holding back the return of our LORD Jesus Christ. The SRA people are specifically used as shields for satan to stop the work of the church from marching forward and possessing the land.

Sally then shared how she had been used under the demonic anointing of the false prophet to keep the church in SA bound up, blocking Godly growth, and causing the church to go chasing after false prophets, believing false prophecies and thereby being deceived. She repented for being used in this position and asked forgiveness. She then released the church of SA to grow in the Fullness of GOD's Purpose and Calling. The ladies and Dan again shared how they had been made weapons in satan's kingdom to destroy the church, ministries and Christian families. They explained how they could scan the people they were targeting and could identify their weak places – unredeemed areas and open doors with bloodlines that had not been prayed over.

In **Luke 22:31**, Jesus said to Peter: *"31 Simon, Simon (Peter), listen! Satan has asked excessively that [all of] you be given up to him [out of the power and keeping of God], that he might sift [all of] you like grain, 32 But I have prayed especially for you [Peter], that your [own] faith may not fail; and when you yourself have turned again, strengthen {and} establish your brethren."*

GOD allows these "weapons" in satan's hand to sift us so that we can deal with our unredeemed areas in our lives. Christians who have not discerned and understood the battle by dropping to their knees and asking GOD for answers for their attacks, have been taken out by the enemy and his agents.

Many counselors and pastors have suffered tremendous attacks in the past against their families, marriages, children and ministries. Some even have lost children in the battle! Amanda shared their own battle as a family and how they had to fight to survive the onslaught through the years. It took much pain, suffering and crying out to GOD for answers – many seasons of prayer and fasting – and dealing with the deep levels of bloodline sins and emotional wounds in the family to get a break through.

Doug and the team helped to answer the questions so many pastors and prayer counselors had, ***"WHY do You allow this to happen to us, Father?!"***

Romans 8:17,18 *"17 And if we are [His] children, then we are [His] heirs also: heirs of God and fellow heirs with Christ [sharing His inheritance with Him]; only **we must share His suffering if we are to share His glory.** 18 [But what of that?] For I consider that the*

sufferings of this present time (this present life) are not worth being compared with the glory that is about to be revealed to us and in us and for us and conferred on us!"

Lori, with her quiet and gentle spirit of a REAL mother, came through every time with so much healing "ointment" from the Throne – sharing from her own experience of being the one walking alongside and supporting the journey of these precious people as they walked with Doug. She shared how transference and counter-transference nearly destroyed their relationships until they learned what was going on and could deal with it together as a community.

A question was asked, "**Can a SRA survivor minister to another SRA survivor?**" Doug very clearly stated that this was very dangerous as the systems inside each survivor will work against the other person's system and actually keep the person in bondage and cause more bondage than freedom. This was very helpful to understand especially after we learned about transference and counter-transference.

What everyone shared was very, very real and very honest – no one is perfect – we are all on a journey – one day at a time – one step at a time. The more broken we are, the more we realize our total dependence on the Holy Spirit, the more we will start to see our clients being set free by HIS GRACE and MERCY!

Doug and the team spent the weekend after the seminar travelling around the Cape Peninsula, seeing some of the beautiful scenes of our country! They saw the penguins and the beautiful coast-line as well as Franschoek and the wine-lands. They also prayed at strategic places – like the throne of satan built by Cecil John Rhodes, the Rhodes Memorial.

From Monday to Wednesday they counseled many people together with their therapists and this really helped those working in this field to get a small glimpse and learn a little bit of what GOD has taught Doug through the many years of experience in this field. A new hope and direction of how to minister MUCH more effectively has opened up over South Africa, **HALLELUJAH!**

We ended their visit to Cape Town on a farm called Vergelegen. The team asked forgiveness for the sins of their forefathers in establishing the plan of the New World Order in SA – and the planting of the Royal Grove on the farm by the Royal families – the kings of the earth (Psalm 2).

They left SA to fly back to the USA on Thursday 6 September – all were very tired but their hearts were rejoicing over the work GOD had done in and through them in SA!

We do not have enough words to say a BIG enough **"THANK YOU"!!**

Doug, Lori and the team, **THANK YOU** so much for coming to pour out your lives into our

nation – in the coming months and years, you will hear about the major changes and shifts GOD has brought to SA because of your obedience!

- **THANK YOU** for paying so much money towards the airline tickets!
- **THANK YOU** for sowing your time and strength into our people!
- **THANK YOU** for all the prayers and warfare for our nation!
- **THANK YOU** for STAYING FAITHFUL to the CALL even when you felt it was too much for you and you wanted to quit!

Because you made it – and as you say yourselves – only by the GRACE of GOD – that is why we could receive from you what you came to pour out into our lives!

You all poured out your very own lives as a sacrifice – like a drink offering (**Philippians 2:17-18**) – we say **THANK YOU** and receive it with JOY!

THANK YOU for coming as SERVANTS of the MOST HIGH GOD and unselfishly serving us in humility and brokenness!!

A BIG THANK YOU FROM THE HEARTS OF GOD'S PEOPLE IN SA!!

Revelation 7:12 “Saying, Amen: Blessing, and glory, and wisdom, and thanksgiving, and honor, and power, and might, **be to our GOD for ever and ever. Amen!**”
